

# The "Tigers " At The Mirai Dojo

The "Tigers Club"  
Is for the very young children of our dojo.  
They are aged 5 to 7 years

They join the club on the introductory courses  
The classes are for ½ hr

The children are taught the basic skills of safety, discipline, respect, control, and basic co-ordination exercises with early karate skills

The classes have elements of skill and fun

The grading system is designed to allow the children to develop and progress in small steps of achievement at regular intervals starting at 13<sup>th</sup> Kyu

Their black belt level is achievable if the starting age is between 5-7 years within a 5 to 7 year training programme. It is of course dependant upon the amount of time and effort that they put into their training

As the children progress at the age of 8 they transfer into the "Ninja's Club"

The "Ninja's" classes are much more structured but there is always the element of Fun for the children

There is no membership required for the "Tigers" attending the ½ hr classes.  
They pay as they attend.

Once they decided to make the step into the 1 hr classes Club membership and rules apply

Please see the price guide

The maximum number of children per class is 20  
Most classes are between 10 and 12 children

Introductory class are available at regular intervals please go to
